

Summer Year 1

SACRED HEART
CATHOLIC PRIMARY
SCHOOL & NURSERY

English

We will be reading *The Secret of Black Rock*. We will be focussing on sequencing sentences and writing a return narrative. We will also write a diary and develop our use of the conjunction 'and'.

Our next unit will focus on *The Last Wolf*. We will focus on using suffixes and write a hunting narrative. We will then move onto writing a recipe using plural suffixes.

We are reading...

purple
mash

Computing

We will be devising animated story books. Using our characters from our story in English. We will then create simple spreadsheets using counting skills.

Maths

We are learning about:

Calculating using multiplication and division. We will explore money and how it relates to real life problem solving.

We will then focus on measuring length, mass and capacity. We will use a range of equipment to explore different amounts.

Science

This term in Science, we are going to be exploring animals including humans and making links in order to group animals by their features.

We will then move onto exploring plants and identify plants and their main structures.

R.E.

We are going to learn about and answer questions on:

Holidays and Holydays – Do We Need Holidays and Holydays?

Being Sorry – Why Should We Be Sorry?

Neighbours - Who Is My Neighbour?

History

How have explorers changed the world?

This term, we will be finding out about events and people beyond living memory. Children will think about explorers and what makes them significant.

We will create a timeline and build on our previous chronology learning and how significant people are remembered today.

Art & DT

In Art this term, we will be exploring and creating sculptures using natural resources.

In Design & Technology, we will plan and design a freestanding structure in the theme of a castle.

Music

This term, we will explore using dynamics, timbre, tempo and motifs in the theme of Space.

We will then create sounds influenced by British songs whilst working with a specialist.

PE

In PE, we will be improving our skills in net & wall games and taking time to create opportunities for mindfulness.

We will then develop our skills in athletics and striking and fielding games.

Geography

How is life different in India?

During this term, we will be using a world map to start recognising continents, oceans and countries outside of the UK. We will focus on India and find the physical features of New Delhi.

We will compare human and physical features of New Delhi with our Local Area – Liverpool.

PSHE

We will be exploring how we recognise safe and unsafe situations, including bodily privacy. We will know what to do in an emergency situation.

We will discuss how we build trust and respect for others in relationships.

We will then move on to how to have a positive learning attitude and how to be safe online.
